The curiosity was the property of some traveling man, and the marks it had on it showed that it had traveled all over the United States and Canada. In going its rounds it has caught the eye of many poetic baggagemen, who have the thing entirely defaced with such inscrip-tions as these:

The man that built this Trunk, thought he was wondrous wise, but we will show him a trunk worth two of this, That will open his blinded eyes.

Be may build of stock or iron, or brass, Or all the metals combined: But the day will come when he'll hate himself, As you will surely find.

It requires a graphic pen to describe the torments of dyspepsia, but in many of the terrimonials received by the proprietors of the bitters, these are portrayed with vivid trathfulness. Constipation, billiousness, muscular debility, matarial fevers and rheumatism are relieved by it.
